# YuvaLok Foundation News - Advent 2017

In december ontvingen we de nieuwsbrief van YuvaLok Foundation. Die is op de volgende pagina in zijn geheel weergegeven. Sam Rajshekhar, directeur van YuvaLok, bedankt ons daarin voor de gebeden en voor de steun in het afgelopen jaar. Ook meldt hij de ontwikkelingen van de schoolorganisatie. Zo is er een nieuwe directeur benoemd voor de YuvaLok Hennis School, Reena George. Zij neemt 18 jaar ervaring mee om succesvol leiding te kunnen geven aan de organisatie. Verder is YuvaLok een samenwerkingsverband aangegaan met Partners in Excellence (PiXL), een organisatie van meer dan 1700 scholen in Engeland. YuvaLok hoopt te profiteren van een schat aan ervaring van PiXL op het gebied van zorg en onderwijs. Op school zien de leerlingen uit naar Kerst en de cadeaus die ze hopen te ontvangen. Traditiegetrouw krijgen alle kinderen en personeelsleden een kerstpresentje.

Dear Friends,

We cannot thank you enough for your prayers of blessing and for your support! It is a joy to write to you again and share recent happenings at YuvaLok.

***Appointment of Ms Reena George as Principal for YuvaLok Hennur School***

Reena comes to us with 18 years of experience as head teacher. With a keen understanding of what it means to lead a successful school she is determined to implement it at Yuvalok. And to complement her appointment, almost by design, YuvaLok entered into a partnership with PiXL (UK). I believe that God in His love desires that every boy and girl to grow up with the best of care and education, and that's why this partnership is perfectly God-timed.

***PiXL***

Partners in Excellence (PiXL) is a non-profit partnership of over 1700 schools in the United Kingdom. Their object is to raise standards and to give students a brighter hope for the future. PiXL provides a wealth of classroom strategies and resources, and brings school leaders and specialists together at regular conferences to share ideas and support. Our thanks to Paul Hammond, Regional Director for Asia, who has gone all out to ensure the

success of this partnership. YuvaLok is proud to be part of this supportive network where we hope the students will benefit the most. The plan is to include all the YuvaLok Schools situated in the economically poorer communities in urban and rural neighborhoods. YuvaLok is committed to set high academic standards, and strengthen communities by being responsive to our students' strengths and needs.

***Excitement in the air with the Advent Season!***

When the Advent season begins, children are excited about the gifts they will receive, and adults wonder what gifts to give. As in the past our plan is to presents Christmas gifts to 1500 kids and staff members in our schools. We are thankful to the Sunday School children of Bangalore International Christian Fellowship for the 150 gift boxes they will distribute, along with their parents, at our school on 16th December. We trust the Lord will provide for the other 1350 kids, and staff members, too. I'd love to hear from you.

Warmly,  
Sam Rajshekhar

Het bestuur van YuvaLokChild dankt u voor uw bijdragen in het afgelopen jaar en wenst u goede Kerstdagen een Gezegend Nieuwjaar.

In de afgelopen periode zien we de financiële inkomsten gestaag teruglopen. Daarom hopen we des te meer ook in 2018 op uw steun voor onderwijs van kinderen uit de sloppenwijken van Bangalore te mogen blijven rekenen.
